Rosemary – Would you please send Mary a clean copy of the most recent MOA? I tried to “accept” the changes but was prevented from doing so. Thanks. Tom

Tom – Response below to Mary’s questions from week before last. Again, my apologies for leaving this hanging – I remember reading this as directed to Phil, but see now that questions for Phil must actually have been separate.

Thanks Rosemary,

I have reviewed the draft you all sent me last week/early this week. It looks good, and the summary is excellent although I have a couple of questions for Phil (where there is a reg. cite).

I also had a couple of suggested edits that I wanted to ask you about:

Hi, Mary –

DEP sent us a new version of the MOA today, so I'm forwarding to make sure you have the most recent version. There are two items that I have edited because references for Indian country/federally recognized tribes got switched or left out. I do see some other changes but with a very quick scan didn't see big substantive changes.
